About

Contact

Hello!

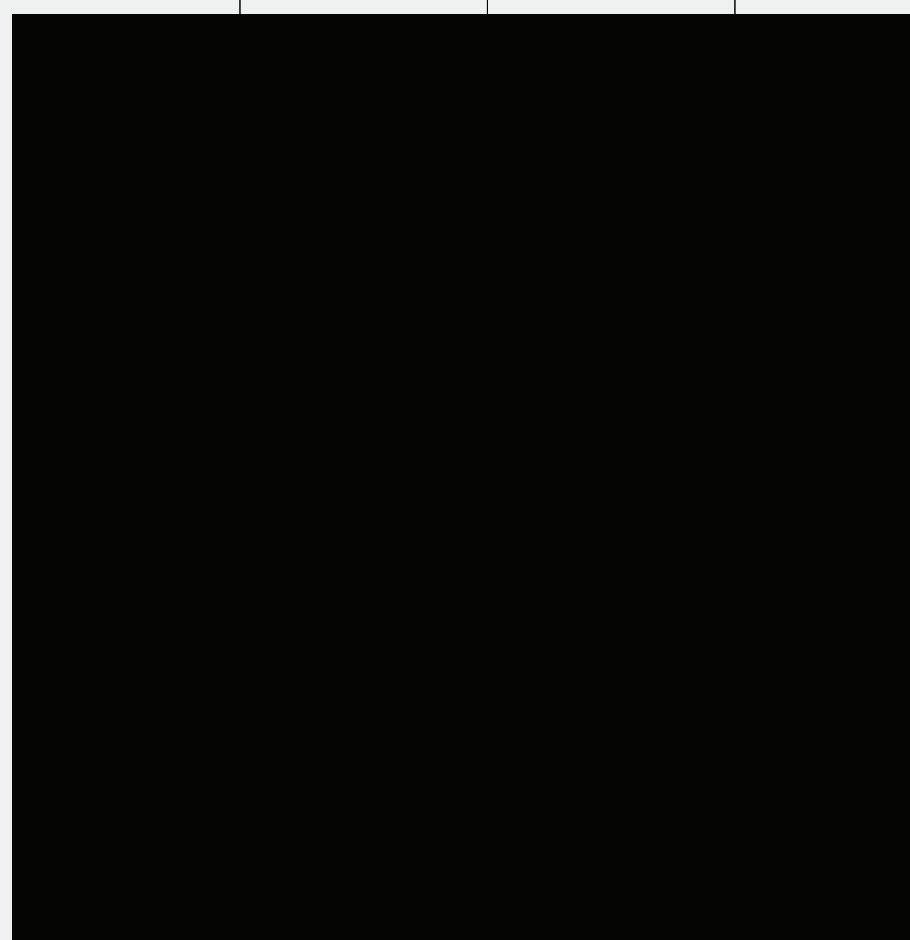

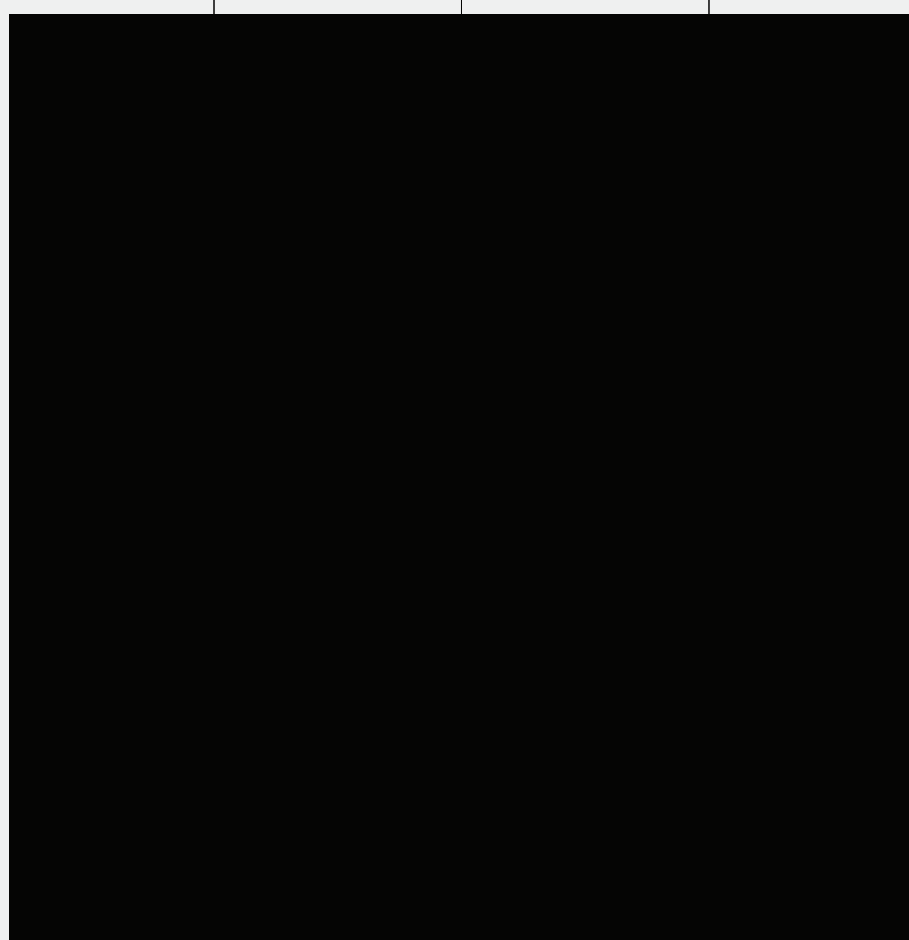

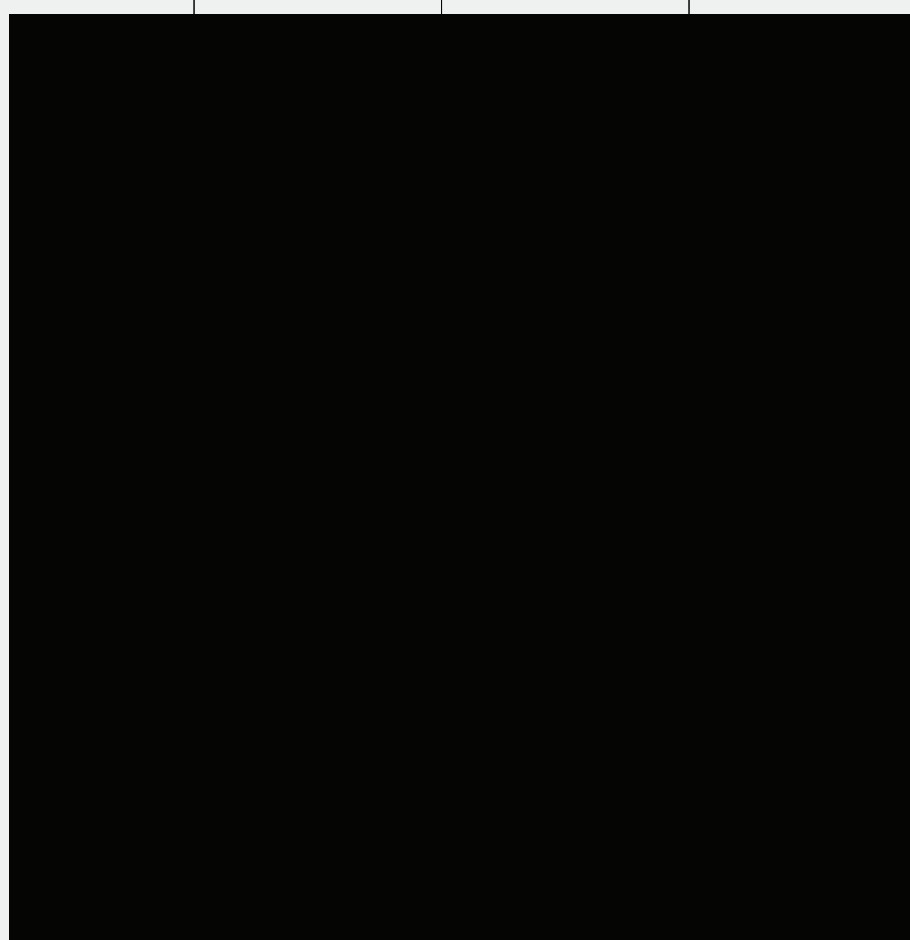

We make stuff. Take a look.

We're Nearabout.

A fun, super cool design firm that wants to make money so we don't have to deliver sandwiches to yuppies in the Finance District in San Francisco.

What we do

Illustration

We love a good animation or infographic and work to incorporate interesting visuals into every project we take on.

What we do

Web design

We make interfaces that are dynamic, easy to navigate and user tested to ensure that design meets functionality.
